

## CUSTOMER PRICE LIST 2021

### WARP IT PACKAGE for ATA SPEC2000 XML 2.16 "SPEC2000XML PACKAGE"

Release dependency (industry standard and SAP back end):

The PI Content Package is valid for ATA SPEC2000 XML 2014.1 (revision 20th) and for SAP backend ECC6.0 with SAP PI 7.40 and includes the complete functionality for SUPPLIER and CUSTOMER processes. SAP SPEC2000 V2014 must be activated.

Other supported SAP ERP versions: DIMP ECC6, DIMP ECC7, S/4HANA (all with A&D activated)

Other supported PI version: SAP PI/PO 7.50 (certified 08/2019)

Other supported ATA SPEC2000 versions:

All previous revisions where the schema definition is downward compatible.

Base price (PI Content package): 30.000€ (full content)  
15.000€ (CUSTOMER or SUPPLIER processes)

Special package prices for specific processes are available on request.

Annual maintenance fee: 15% of the base price

Implementation fee: 960€ per MD

Training: 960€ per MD

SAP licenses: All SAP system licenses for SAP PI Process Integration, additional SAP PI adapters and SAP ERP system have to be purchased separately.

ATA SPEC2000 XML license: The license for the ATA SPEC2000 interface schemas (XSD files) is not required to use the SPEC2000XML package.  
On request it can be purchased separately from the AIR TRANSPORT ASSOCIATION (Airlines for America) if required.

The PI software component is only available from warp it AG in conjunction with the above mentioned licenses.

All consulting fees are calculated on a daily basis for off-site support. The prerequisite therefore being that the customer provides a remote working connection to their SAP systems via the SAP OSS connections (SAP ERP support connection and PI Repository/Directory connection for SAP PI Java components).

Additional travel costs will be billed at 55€/h for time incurred as well as travel expenses for on-site support and will be invoiced on a monthly basis.

Customer specific enhancements to the standard SAP ERP IDoc interfaces are not part of the base implementation. Additional implementation effort will be charged based on the implementation fee. (Limitations)

This price list is valid until 31.12.2021.
